## MAYSVILLE KEEPS APACE WITH THE WORLD

Trade reports from the mercantile centers indicate the largest pre-holiday traffic in the history of the country. We must say—and we are sure our fellow merchants have been as generously treated by the public—that up to the present time we have enjoyed the greatest December in the many years existence of this establishment. Holiday shoppers have only a few more days left in which to do their buying. We featured in our daily papers throughout the past week the many useful and acceptable gifts that can be purchased in this place for the sterling price. It is now, as it always has been, the unalterable policy of this house to furnish its patrons, "from a 25c linen handkerchief to the highest priced garment in the Clothing Department," the best that money can procure.

### TO INTENDED SHOE BUYERS!

JOHN ROCKEFELLER! His income of \$60,000,000 a year. No wonder selling at 17 cents a gallon.

vote of 106×188 Congress refused the salaries of members from \$5,000 to \$10,000. Representative BENNETT of this District voted against the measure.

might help some if those Saloon Keepers persist in the gambling business would build a separate building for that exhilarating business. It would, at least, save a part of the town's reputation.

the month that covers our holiday season, Uncle JOHN ROCKEFELLER could afford a procession of 2,400,000 men \$2 each a Christmas gift, and then he would only be a month's income.

would take 150,000 wage earners at the average American wage of \$400 a year, to earn our Uncle JOHN ROCKEFELLER's income. Is it any wonder that the "great common people" are waging war on the Standard Oil Trust?

SOUTH CAROLINA made an attempt to bull-doze the whole United States in 1832, but an chap named ANDY JACKSON was about to come miscellaneous hanging when the "fire-s" pulled in their horns; and now California proposes to defy Uncle Sam and the odd other children. Well, just wait till dent ROOSEVELT, who is somewhat of a monian Democrat himself, gets through the stuckup Pacific Coasters.

If your Uncle JOHN ROCKEFELLER's yearly income were converted into silver dollars, and they piled one upon another, they would make a pile 125 miles high.

A CORRESPONDENT wants to know what it costs to build a railroad.

Answer—The average cost in the United States at present is \$30,000 a mile;—how many miles do you want?

JOHN D. ROCKEFELLER has sent word to the Board of Foreign Missions of the United Presbyterian Church, whose headquarters are in Philadelphia, that he would give \$100,000 toward educational work in Egypt and the Soudan. As Uncle JOHN's income is \$164,383.53 "per diem per day" as the late Mr. DEBOE would say, I wonder what the poor old fellow is going to do with the balance of that day's work.

MORE than 20,000 certificates of naturalization will be invalidated if a bill favorably reported by the House Committee on Immigration becomes a law. The failure of clerks to ask applicants if they were Anarchists renders the certificates void. This country is extremely lucky if only 20,000 Anarchists have been permitted to slip in; but just think what might happen if San Francisco's 93 Japanese children should be allowed to learn their A, B, C's in the Public Schools!

WHY HE LEFT.

Chicago News.

"I'm very sorry, madam," said the new boarder, "but I have arranged to leave at the end of the week."  
"Indeed!" rejoined the landlady. "Are you going to leave the city?"  
"Oh, no," replied the n. b. "I'm merely making a change on account of the water."  
"Why, what's wrong with the water here?" queried the landlady.  
"It's impure," answered the other. "I frequently detect a slight flavor of coffee in it."

## DO NOT FORGET

The Christmas holidays are approaching and your minds may be somewhat taken up with the selection of presents for those in whom you are most interested. This, however, should not cause you to lose sight of the all important matter of securing a farm or dwelling.

I have recently had placed in my hands for sale a tract of 400 acres of the best character of Bourbon county land that will produce the finest quality of tobacco and the finest growth of hemp. It is in a high state of cultivation. Can sell in tracts to suit the purchaser. It is located miles from Paris on the Maysville and Lexington Turnpike and the Bluegrass Traction Line.

I have another tract of Bourbon county land, containing 278 acres, about 3 miles from Paris, on the Rud-Mills Pike, that I am offering for \$75 per acre.

Another tract of 430 acres on the Maysville and Lexington Turnpike 2 miles from Millersburg. This is a class, well improved stock farm.

Another tract of Bourbon county land, containing 278 acres, on good pike, about 8 miles from Paris.

If any of the above properties do not interest you I will be glad to have you come and tell me the size and character of farm which you wish to buy. I will do my best to suit you, as I have quite a number of excellent farms in my hands for sale.

BOB FITZSIMMONS.

"A Fight for Love" by Hal Reid is announced to play at the Washington on Thursday, December 20th, with fighting "Bob Fitzsimmons" in the star role. The vehicle of Mr. Fitzsimmons' present starring tour is purely a melodrama replete with heart interest and strong situations, one that appeals to everybody, a charming romance in the life of the blacksmith and the country gentleman provides the basis for the play, which is rich in wholesome humor and cleverly constructed climaxes. The star has a most congenial part in which he does full justice. Manager J. C. Matthews has staged the play handsomely for the entire four acts. As "Vivian Ellington" Miss Julia May Gifford the young leading lady has met with excellent success.

President Cochran appointed the following brethren as a Nominating Committee to appoint new officers for the ensuing year:  
Robert Owens, James Childs, L. M. Mills, John Boulden, Ad. McClanahan.

While the Committee was in the Sunday-school room selecting the new officers, Dr. John Barbour read the Scripture lesson found in 1st Peter 1st chapter; song No. 211 was then sung, followed with prayer by Rev. P. A. Cave.

The Report of the Nominating Committee was received and adopted, which is as follows:

"We the Nominating Committee beg leave to report the following as your officers for the ensuing year:

Hon. W. H. Wadsworth, President; Vice-Presidents, all Ministers in the county who affiliate in this work; Secretary, H. P. Chenoweth; Treasurer and Depository, J. C. Pecor; Executive Committee, George N. Harding, J. H. Pollitt, R. B. Owens, W. H. Cox, C. L. Saltee, J. F. Barbour, M. B. Clark, John Duley.

Then a trio was sweetly sung by Dr. P. G. Smoot and the Misses Tolle; then followed the sermon of the evening "The Living Word," delivered by Rev. W. W. Akers of the Central Presbyterian Church.

The speaker said he knew we believe the Bible to be inspired and to be the Word of God and

## Lovel's Holiday Special!

My unusually heavy purchases for the holiday trade are now in and opened up. In immensity and variety of stock, in extra quality of goods and in cheapness of prices I am, as heretofore, away ahead of all competitors. I have taken special pains in selecting these goods, and every article I sell is guaranteed to be just as recommended. I sell only the best goods and the most reliable brands. Everyone during the holidays will want some of the following goods, of which I have a large supply:

Raisins, Figs, Dates, Citron, Lemon and Orange Peel, Atmore's Plum Pudding and Mince Meat, Prunes, Evaporated Peaches and Apples, Cocoanuts, Maple Syrup, Maple Sugar, Buckwheat Flour, Oranges, Grape Fruit, Lemons, Bananas, Malaga Grapes, Catawba Grapes, Apples, Nuts, mixed and un-mixed, Cranberries and Celery; also, a big supply of FINE CANDIES at the most reasonable prices.

**FIREWORKS**—I had determined to not sell any more of these goods, but much of my trade will have them and expects me to furnish them. My stock of ROMAN CANDLES, CANNON CRACKERS and TORPEDOES is immense, and the prices will be so low that every one can afford them. Merchants who want to pay in supplies for their trade can buy them as low of me as they can anywhere, and the goods are of the very best.

he would not try to harmonize the little differences as they were of minor importance. But he would try and give us a few thoughts on "The Living Word," and to say it was splendid will be expressing the sentiment of all the Ministers as well as lawyers and all present, which was very large, considering the night, which was very bad for Church people to get out as it rained.

## Federal Supremacy Planned!

### PRESIDENT ON JAPANESE!

#### Special Message to Cause Another Stir Among the Californians

#### Metcalfe's Report to Condemn the Treatment of the Japs in San Francisco

A special message on the Japanese question and the California school problem supplementary to the treatment of these same subjects by President Roosevelt in his regular message last week, will be sent to Congress from the White House tomorrow.

It is stated authoritatively that this special message will be more vigorous in tone than the former communication, and will not be calculated to cool the indignation of Californians previously aroused.

The special message, moreover, aside from its local application, will be one of the most notable and important communications in the entire list of those sent to Congress by the present Executive. It will bring to a direct issue the centralization scheme of government which is likely to form the climax of endeavor on the part of the Roosevelt Administration.

The Administration is about to take advanced ground regarding the doctrine of Federal supremacy over state sovereignty. The Japanese question raised in connection with the public school system of California has supplied the opportunity to give forcible expression to the mighty scheme of centralization that is to be perfected if possible.

It is not possible at this writing to forecast in detail what the President will say in his second message on the Japanese question. Ac-

companying his message, which, it is understood, will be a full explanation of the Administration's projected policy as to the supremacy of Federal over state power, will be the report of the special investigation of the San Francisco school question made by Secretary of Commerce and Labor Metcalfe. Regardless of the nature of this report, the President will adhere vigorously to the position taken by him in his regular message, which was written before he left Washington to visit the canal zone, and before he had anything at all from Secretary Metcalfe.

But as to the Metcalfe report, it has been learned that its author found much to condemn in the matter of the treatment of Japanese outside of the school question. His report, in fact, will furnish a new sensation. It will show, it is understood, Labor Union tyranny over Japanese which affects the rights held to be theirs by treaty in even more pronounced manner than anything connected with the school imbroglio. Matters of this nature embraced in Secretary Metcalfe's report will furnish the key for many arguments to be advanced by the President in his message.

The largest flag in the world, a giant Star Spangled Banner, is to hang in the great court of the Postoffice Building at Washington as soon as the mammoth bunting can be manufactured. Sixty feet long by about thirty-five feet wide is the approximate size of this banner. It is to be made of American wool bunting, and the actual cost of construction is to be about \$200. Each of the thirteen stripes will be almost three feet wide. The banner will exceed in length the great flag which hangs in the court of the Pension Building by about ten feet.

Despite the envious attacks of jealous enemies and rivals, Cardui still holds supreme position today [as in the past 70 years] for the relief and cure of female diseases. It stops pain, tones up the organs, regulates the functions, and aids in the replacement of a misplaced organ.

**THE LEDGER** leads in all, and is the favorite paper of the people.

In pursuance of a recent decision of the Court of Appeals, the City Council of Paris returned to the First National Bank of that city \$1,127.90, collected for taxes for 1904-5.

The State Printing Commission accepted a bill drawn by a sub-committee, providing the manner of letting printing contracts and fixing a maximum price, and will present it at the next session of the General Assembly.

The Court of Appeals held, in a decision by a divided Court, that the Revenue Act of 1906, so far as it applies to National Banks, is not effective this year, and Banks cannot be required to pay taxes on Government bonds held at this time. The decision affects every National Bank in Kentucky.

Francis Drake and John Woodruff, former convicts in the state Penitentiary, returned to their homes near Hopkinsville, and it was then learned for the first time that they had been pardoned last Tuesday by Governor Beckham. The men were convicted of the murder of a guard at a coal mine during the strike in 1901.

The charges of alleged bribery of the Jury which tried the Standard Oil case at Findlay, O., are being investigated.

MAYSVILLE, KY., December 5th, 1906,

To the People of Maysville, Mason and Neighboring Counties: I wish to say that my entire stock of Suits, Overcoats and Furnishings for Men, Boys and Children, also Trunks, Suit Cases and Bags, will be sold, not, however, to discontinue business, but to enable me to carry out my plans for the coming spring and summer. By adding more space, and having it well filled for this fall and winter, whose weather thus far has been against me, finds me with too much stock. It must be sold. I am going to convert it into cash, realizing that now, while you can use it, is the time to sacrifice; also, while the sizes and lots are unbroken. In this unloading sale are the products of the leading manufacturers of the country. The price will cause you to purchase. The same condition governs this sale that has been our pride—satisfaction guaranteed to all, exchanges made without hesitating and to any one who wants it their money is refunded. Beginning this day the sale will continue until the stock is reduced.

Thanking all for previous patronage, I am,  
 Respectfully,  
 J. W. LEE.

**STOPS ANY ITCHING**

**Doan's Ointment Cures Eczema and Itching Piles.** Maysville People Recommend It.

One application of Doan's Ointment stops any itching. Short treatment cures eczema, itching piles, salt rheum—any skin eruption or skin itching. It is the cheapest remedy to use because so little of it is required to bring relief and a cure. Here is Maysville testimony to prove it:

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy, procured at J. James Wood & Son's Drugstore. For a long time I had an itching or eczema of the scalp. It broke out in spots, and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and then was so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend of mine also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
